

Employee Owned & Service Driven

COMMERCIAL, MECHANICAL, & INDUSTRIAL PRODUCTS

Commercial Ventilation Equipment

Commercial & Industrial Fans | Dampers | Louvers | Laboratory Exhaust Systems | Energy Recovery Systems | HVLS Fans

Commercial Restaurant and Kitchen Ventilation

Kitchen Hoods | Kitchen Exhaust Fans | Make-Up Air Units | Control/Energy Management | Fire Suppression Systems | Pollution Control Units | Utility Distribution Systems (UDS)

Air Tempering, Supply & Energy Recovery

Direct & Indirect Gas Fired | Steam / Hot Water Heat | Electric Heat | Heating & Cooling Units w/ Heat Recovery | Packaged 100% Outside Air Units | Energy Recovery Ventilation | Laboratory Energy Recovery Systems

Air Distribution Products

Grilles | Diffusers | VAV Boxes | Critical Environment

Vertical Packaged Indoor and Outdoor Climate Control Systems

Underground Pre-Insulated Duct Systems

Insulated Plastic (HPDE) Underground Duct

Outdoor Pre-insulated Duct Systems

Fabric Duct Systems

Fabric Duct & Fittings | Fabric Diffusers | LabSox | KitchenSox | D-Fuser

Remote Operated Dampers

Manual Remote Control Dampers

Flue & Grease Duct Systems

Zero Clearance Grease Duct | Flat Oval Grease Duct
Boiler Flue (Stainless Steel, Steel & AL29-4C) | Wing Fan Systems | Free Standing Engineered Chimney Systems

Noxious Fume & Gas Exhaust

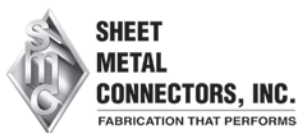

Vehicle Exhaust Systems | Weld Fume Exhaust Systems

Spiral Duct Systems
Single & Double Wall Round Duct | Flat Oval Duct

Water Source & Geothermal Heat Pumps
Modular Condensing Boilers | Industrial Boilers | Water Heaters

Spiral Ductwork
Single Wall Round | Custom Product

Destratification & Ventilation Fans
Destratification Fans | JetVent Garage Ventilation Fan

Air Filtration & Purification
Hi-Efficiency Pleated Filters | Bag & Box Filters | HEPA Filter Housings
IAQ Control | Replacement Filters

Clean Room/Critical Environment Air Filtration
Fan Filter Units | Ceiling Grid Systems | Surgery Enclosure Filtration Systems
Laminar Flow Modules | Clean Filter Benches

UVR-C Products for HVACR Industry
High Output Fixtures | Rooftop/Outdoor Applications Fixture-less Systems
Replacement UV Lamps

Air Filtration Solutions
Containment Equipment | HVAC Industrial Equipment
Pharmaceuticals/Micro-Electronics

Zoned Comfort Systems
VRF Units for high degree of design flexibility and comfort
Simultaneous heating & cooling | VRF Industry-leading energy efficiency | Mini-splits

Electric Heat
Unit Heaters | Baseboard | Radiant | Wash Down | Explosion Resistant
Duct Mounted | Wall Mounted

Commercial Packaged & Split System Units
Packaged Heating and Cooling Roof Top Units | Split System Air Conditioners
Packaged Heat Pumps | Split-System Heat Pump Units

Custom Air Handling Unit Solutions

Dust Collection
Dust Collection Solutions | Dry Collectors | Wet Collectors | Oil Mist Collectors

Custom Packaged Heating & Cooling Units
Exact Replacement | Exact Replacement Multi-Zone | Dx Custom Units
Custom Energy Recovery Systems | Industrial Package Units

Thermotech

Energy Recovery | Heat Wheel | Repair | Retrofit

Cooling Towers

Fiberglass construction | Direct Drive | Direct Drive with Permanent Magnet Motors | Gear Drive

Humidification & Evaporative Cooling

Water Treatment Systems | Pump Stations

HVAC Chiller Equipment

Air to Water Chillers | Water To Water Chillers | Modular Chillers
Fan and Coils | Heat Pumps

Heat Recovery

High-Performance Energy Recovery System | Guaranteed Performance | Ideal for laboratories and challenging airstream application

Industrial Duty Air Handling Systems

Industrial Packaged Air Conditioning | Industrial Portable Air Conditioning Units
AC or DC Power Options | High Temperature Environments (Up To 160° F)

Critical Environment Airflow Solutions

Zero Particle Operating Room Ceiling Systems Plenum Systems |
Imaging Equipment Track Systems | HEPA & ULPA Diffusers

Dampers & Louvers

Fixed & Operable Louvers | Control Dampers | Backdraft Dampers
Industrial Dampers

Metal Fabrication

Connector Systems | Snap-Lock Pipe & Fittings | Sealants & Adhesives |
Access Doors

Industrial Ventilation Equipment

Panel & Flange Fans | Tube Axial Fans | Cast Aluminum Blowers
IRIS Dampers

Sound Attenuation

Duct Silencers | Acoustical Enclosures | Industrial Applications

Air Handling

Modular & Compact Air Handling Units

COMMERCIAL AND INDUSTRIAL CUSTOM CAPABILITIES

- Custom Engineering
- HVAC Design Assistance Direct
- Footprint Replacements
- Knockdown, Modular, & Retrofit Air
- Factory Startup

Custom Designed Systems

Fan-Filter Units | Motor Enclosures | Specialty Designs | Penthouse Equipment

DDC Systems, Pneumatic & Electric Controls

Thermostats | Actuators | Sensors
ATC Air Compressors | Valves

[**Authorized Building Controls Specialist**]

Healthcare, Lab and Fume-hood Controls

Air Valves | Room Pressure Monitors | Airflow Measurement and Control

Variable Frequency Drives

Variable Frequency Drives Designed for HVAC Applications.
Low Harmonic Drives and Redundant VFD Packages Available.

Relays and Control Power Transformers

Control Relays | Transformers from 20VA to 500VA | Current Sensors

Gas Monitoring & Detection

Refrigerant Monitoring | Hazardous Location | Oxygen Monitoring CO & NO2 for Parking Garages | Battery Storage Facilities | Wireless

VAV Box Controls

In Stock Pneumatic & Electric VAV Box Controllers

Sensors & Transmitters

In Stock Current Sensors & Pressure Transmitters

Air Compressors & Accessories

CUSTOM CONTROL CAPABILITIES

- Control Design Assistance
- Control Panel Fabrication
- PLC & DDC Programming
- Wiring Diagrams
